DIGITAL KEY BLUE / GREEN TEMPO

Digital Key Tempo Fabrics: Our most popular and widely used fabric. These blue and green screens are used in motion picture, television, and commercial productions worldwide. These deep digital key colors are offered in a plush lightweight foam backed fabric that easily accepts convenient Velcro® attachment for dutchmen or tracking dots, available to be purchased by the yard at 60" (1.52m,) made to order custom rags in any size for sale, or for rental from a huge variety of stock and custom sizes.

Digital Key Blue / Green Tempo is also available in an adhesive peel backed tape, available in 2" (5.08cm) 4" (10.16cm) and 6" (15.24cm) widths.

See "Supplies & Expendables" for Digital Key and Chromakey gaffers tape and paint.

CHROMAKEY BLUE / GREEN TEMPO

ChromaKey Tempo Fabrics: The same plush, foam backed construction as Digital Key Tempo, this deep colored fabric is perfectly toned for the ChromaKey Video process. Also being a darker color, our ChromaKey Blue screens are often used for sunlit exterior digital applications. Can be purchased by the yard 60" (1.52m), or made to order finished rag in any size for sale, or for rental from a huge variety of stock and custom sizes.

UNDERWATER

Our Digital Key Green, Chromakey Green, and Digital Key/Chromakey Blue underwater fabrics are durable, opaque, and ideal for those underwater shots. These fabrics have been specially formulated to help minimize the "bleach out" effect that can occur from chlorinated pools. These fabrics are available in a 59" (1.49m) width. Made to order custom rags in any size for sale, or for rental from a huge variety of stock and custom sizes.
