

Gelfab®

"Christmas with the Kranks"
20 x 40 Light Box Half Blue Light Grid Gelfab®
Michael McGuire, Rigging Key Grip.
Box Frame by Showrigs

Created and introduced to the film industry by The Rag Place, Gelfab® is an innovative new product which is a combination of diffusion and color correction. Gelfab's® rich blue color easily withstands the heat from lights eliminating the replacement of gel due to bleaching. Also being a fabric, it is ideal for very large pieces. Under 3200K light Gelfab® corrects to around \pm 4000K.

"300" Half Grid, Half Blue, Gelfab®
Key Rigging Grip Stéphane Pilon
Montreal, Canada

Quarter Grid, Half Blue Gelfab®: Just like quarter density grid cloth. This extremely durable, lightweight fabric is available in "silent", at 72" width (1.82m), made to order custom rags in any size for sale, or for rental from a huge variety of stock and custom sizes.

Standard Size Chart

6'x 6' (1.82m x 1.82m)
8'x 8' (2.43m x 2.43m)
12'x 12' (3.65m x 3.65m)
12'x 20' (3.65m x 6.09m)
20'x 20' (6.09m x 6.09m)

Any size available upon request

Lite Grid, Half Blue Gelfab®: The same as half grid cloth, this durable, lightweight half density fabric is available in "silent" and comes 65" width, (1.65m) made to order custom rags in any size for sale, or for rental from a huge variety of stock and custom sizes.

Standard Size Chart

6'x 6' (1.82m x 1.82m)
8'x 8' (2.43m x 2.43m)
12'x 12' (3.65m x 3.65m)
12'x 20' (3.65m x 6.09m)
20'x 20' (6.09m x 6.09m)

Any size available upon request

Lite Grid, Quarter Blue Gelfab®: The same as half grid cloth, this durable, lightweight half density fabric is available in "silent" and comes 65" width, (1.65m) made to order custom rags in any size for sale, or for rental from a huge variety of stock and custom sizes.

Standard Size Chart
