BLACK DUVETYNE HEAT CLOTH

Our newest version of Heat Cloth is a far superior product than the traditional heat cloths. This product offers effective heat blocking and will not burn, melt, or drip. This self-extinguishing product can be sewn into our stainless steel flag frames (think about replacing those heavy, outdated metal flags) and is stocked in 18" X 24", 24" X 36", 24" X 48", 24" X 60", 24" X 72", and 48" X 48" covered stainless steel frames.
