### **DUVETYNE / COMMANDO CLOTH**

Sometimes known as "Commando Cloth". As well as its many motion picture applications, this heavy, 16 oz. flame retardant opaque masking fabric is an economic alternative to velour for use in theatre, special events and trade shows. We stock 50 and 100 yard rolls, (45.72m / 91.44m.) Our single face Duvetyne is available in 54" (1.37m) or 60" (1.52m) widths. Also available in white, gray, red, green, beige, and wine. Our black double face is available in 118" (2.99m) wide. Make to order custom rags in any size for sale, or for rental from a huge variety of stock and custom sizes.

### **UNDERWATER BLACK**

Our Underwater Black is a durable lightweight, opaque, water resistant fabric, perfect for underwater or "wet shots." With its PVC coated matte black finish, this fabric comes in 59" (1.49m) widths. Made to order custom rags in any size for sale, or for rental from a huge variety of stock and custom sizes.

### **CHROMAKEY BLUE / GREEN TEMPO**

ChromaKey Tempo Fabrics: The same plush, foam backed construction as Digital Key Tempo, this deep colored fabric is perfectly toned for the ChromaKey Video process. Also being a darker color, our ChromaKey Blue screens are often used for sunlit exterior digital applications. Can be purchased by the yard 60" (1.52m), or made to order finished rag in any size for sale, or for rental from a huge variety of stock and custom sizes.

### **DAY & NIGHT MUSLIN**

These solid Day or Night Blue and Day or Night Gray muslin fabrics available in a heavy weight 9' (2.74m) roll. The Day Blue is a soft sky blue where the Night Blue is a dark blue. The Day gray is a slightly warm neutral gray and the Night Gray is again a darker gray. Available Made to order custom rags in any size for sale, or for rental from a huge variety of stock and custom sizes. Also available for special order in black.

## **WHITE BLACKOUT**

Yes, this sounds like a contradiction in terms. However this bounce material is opaque and may be used for "blacking out". This economical coated material comes in 54" (1.37m) and gives a soft even bounce. Made to order custom rags in any size for sale, or for rental from a huge variety of stock and custom sizes.
